Date: 18-19 March 2017  
IIM Lucknow Noida Campus

# *Sponsorship Prospectus*

Co Hosted by IIM L Incubator

# About Python Conference Delhi

- PyDelhi Conference is the annual conference hosted by PyDelhi community.
- PyDelhi Conference will be brings together developers, experts, researchers, scientists, enthusiasts and companies dealing in python.
- Python Conference Delhi is a completely volunteer based event, managed by PyDelhi (<https://pydelhi.org/>) python users group Delhi.
- On its maiden year PyDelhi conference attracted a total attendance of 300 people.

# Why You Should Sponsor

- By sponsoring the conference, your organization will be better connected to the Python community.
- You get access to the 500+ people coming to the conference representing experienced software engineers, designers, project and product managers, scientists, researchers, artists in the field of software engineering.
- Are you a Python company? You get a platform to spread the word about your product and services and interact with all the prospective leads that you would otherwise be hard pressed to find under one roof.
- Your sponsorship helps keep Python Conference Delhi affordable and accessible to the widest possible audience.

# Previous Events

- PyDelhi group behind this conference has held a lot of events prior to this, here is a sample of the things they are known for.  
<http://www.meetup.com/pydelhi/>
- Having organised 40+ workshops in the last year alone, for college students, workshops for school students, tech talks from people in the industry who are building interesting tools/products & solving problems. Programs like <https://pychill.fossevents.in/>, whenever they happen.
- Regular bi monthly meetups with a healthy strength of 80-90+ people every meetup.
- Presentations and talks in these meetups are held regularly. As seen in <http://www.meetup.com/pydelhi>.

- Successfully organised workshops under the initiative of python express. Know more about it at <https://pythonexpress.in/>
- PyDelhi has been community partner for
